Kavuka News

As you will see from our events, it is coming up to the time of year for our whole school sponsored walk to raise money for Kavuka.

Kavuka is a school in Kenya and we are proud to partner and support them so they can deliver a safe and effective education to their children.

Our children love hearing and seeing the updates from Kavuka and we are proud of their enthusiasm when it comes to completing the sponsored walk and supporting Kavuka.

In the past, we have raised funds to provide them with a brand new kitchen, a new and safe water supply and many other essentials that we are fortunate enough not to have to worry about.

This year, their headteacher Chiro, has been in touch to request our help replacing a 2 classroom building. Parts of the floor are peeling and causing a hazard and there are also repairs needed to the walls.

We will send out letters and sponsor forms with further details next week.
