Parents Evening

Harvest Festival

This takes place on Thursday 5th October, 10am at St George's Church, King's Stanley.

The service will be led by our Year 4's and we would therefore like to invite parents of our Year 4 children to attend if they are able. Unfortunately, we are unable to extend the offer to all parents due to the size of the Church.

We are once again collecting donations of canned or dried foods for the foodbank. Please send in your donations next week.

After School Clubs

These have now been allocated and all clubs are full. If your child has been given a space, you will have received a text message.

Clubs are running until December. A reminder that you should not use the car park to collect when clubs finish at 4pm.

PIG RACING EVENT

We are so excited to host our first event of the year on Friday 20th October. The event will be held in the school hall from 7pm-11pm.

There will be 6 races with 7 pigs in each. Racing pigs can be purchased for £5 and you will need to name them. Prizes on the night for the winning pigs!

We've gone the 'whole hog' for this one so there will also be a bar, raffle and some banging music. We can guarantee you will not be 'boared'!

Tickets to the event are £10 which includes food so raid that piggy bank and buy yours. Sticking with the theme, on the menu we have pork baps, roast potatoes, homemade slaw & apple sauce. There will also be a veggie option available. If anyone is gluten free, please let the PTFA know as they will be able to cater for this but must know numbers.

Can You Help Us?

We are extremely lucky to have our outdoor play area and space for the children. They love playing outdoors with their friends and we hear some fabulous and imaginative role play.

It would be wonderful if we could provide more props for the children to aid them in their play. If you have any toys such as doctor kits, tea sets or picnic items that are gathering dust, we would love to give them a new home. All donations can be dropped to the office. Thank you.

Reception Update

We are so pleased to see our Reception class settling in so nicely. They are enjoying their breaks & lunches with their Year 6 buddies who are doing a fabulous job.

It's lovely to see them getting involved in their classroom lesson and building relationships with each other.

Lunchtime at King's Stanley

Our catering team at school work hard to provide our children with their hot lunches. We are very lucky to have the team that we do and the space to cater for the children on site.

Please remember, if you are arriving at school after 9am and want a school dinner, you must order it at the office and this must be done before 9.30am.
