Fundraising 2022-23

We are delighted to share with you, that with your help, the King's Stanley School PTFA have raised an amazing total of **£9749.18** this year! This has enabled us to put a fantastic **£17,000** towards replacing the front playground! Our children's brand new playground will be completed over the summer holidays ready for everyone to enjoy when they come back to school in September.

A massive thank you to everyone who has helped and supported us this year, we really appreciate your support.

Fundraising 2023-24

Going into the new year, we would love more parents to get involved and help us to raise money. Over the years the PTFA has raised money for laptops, playgrounds, days out and much, much more... all of which enhances the children's time in school.

We have a great core PTFA team who are happy to carry on into next year, but we would absolutely love more people to get involved, to help us with new ideas and to support us where possible, so it's not the same parents every time.

Events

This year we have organised fifteen events to raise money. Most of these events we run each year; school disco's, shopping events, cake sales, uniform sales, quiz nights and of course our two big event's the Kings of Kings Stanley trail and the Christmas Fayre.

Helping Out

If you are interested in joining/helping us, it doesn't mean having to attend every meeting, or helping at every event. What we could really do with, are parents that can offer to help us during the year on specific events. For example, you could offer to help out with planning and organising the school disco's , our shopping events or the Christmas fair.

We all have busy lives, but being part of the PTFA is a great thing to do. Seeing the children enjoy the events and the lovely things we can provide to the school is really rewarding.

Watch This Space!

In September we will be sending out a text/email asking who would like to get involved and who is happy to help us. We will also be setting up a new whatsapp/PTFA group for anyone that wants to join us, can bring new ideas and can offer some help/support when we need it.

We hope you all have a lovely summer holiday and look forward to seeing you next year.

Jo Haywood and the PTFA Team.
