

Kings Stanley C of E Primary School COVID-19 Addition to SEND Information Report

Special arrangements in relation to COVID-19.

From September, the government announced plans for all children to return to school on a full time basis.

Following the guidelines provided by the government, which can be found below

<https://www.gov.uk/government/publications/actions-for-schools-during-the-coronavirus-outbreak/guidance-for-full-opening-schools>

Kings Stanley C of E Primary School will be providing the following:

- Children will be taught in classes and linked to their key stage, for example:
 - Reception
 - Year 1 and Year 2
 - Year 3 and Year 4
 - Year 5 and Year 6

Each phase will have set teachers and teaching assistants assigned to it.

- Children will have access to their relevant curriculum through planned lessons, set by class teachers, which take into account the need for a 'recovery curriculum', to cover any knowledge and skills missed during the Covid-19 pandemic as well as any well-being needs children may have.
- Children will have access to all provisions as listed in SEND Provision section of the SEND information report. These include:
 - activities linked to the outcomes on their Education Health Care Plans.
 - visual supports such as visual timetables, working memory boards, now and next cards or task cards.
 - coloured overlays, ear defenders and sensory boxes.
 - technology where appropriate, such as laptops and iPads.
 - Access to Theraplay activities and resources to support emotional well-being, such a social or emotional stories.
 - Online provisions, such as Nessy and Nessy Fingers, among other programs specific to the child's needs.
 - In class provisions, such as precision teaching, Numicon, SNIP Literacy and SALT activities.
- Interventions will take place within phases. Trained Teaching Assistants will deliver these interventions following government social distancing guidelines and hygiene.
- SEND children will have access to The Hub, should they need time out of their classroom for any reason relating to their SEND needs.
- Children will have access to Behaviour Support Plans should they need one.
- My Plans, My Plan+ and EHCP's will continue to be in place for children on the SEND register and reviews will be conducted via Email, Zoom conference video call or in person, dependent on numbers of professionals involved with the child and family.
- EHCP annual reviews or meetings will be held via Zoom/Microsoft Teams/Telephone call with professionals and parents.

- Outside agencies will begin providing interventions within school or online via Zoom/ Microsoft Teams/Telephone calls, where necessary, following all guidance on social distancing and hygiene.

The offer shown below applies to any children that may need to be taught remotely.

As stated in the government guidance:

‘Where a class, group or small number of pupils need to self-isolate, or there is a local lockdown requiring pupils to remain at home, we expect schools to have the capacity to offer immediate remote education’.

Should there be a case for children to work from home, Kings Stanley C of E Primary School will ensure:

- Work will be set by class teachers. It will take in to account the needs of the pupils in their classes and will follow a well-sequenced curriculum so that knowledge and skills are built incrementally, with a good level of clarity about what is intended to be taught and practised in each subject.
- Teachers will check work regularly to gauge how well pupils are progressing through the curriculum.
- Class teachers will set work and provide resources for individual SEND children relating to the outcomes/targets on their EHCP or SEND support plans.
- Class teachers will use remote education resources such as Oak National Academy specialist content for pupils with SEND. This covers communication and language, numeracy, creative arts, independent living, occupational therapy, physical therapy and speech and language therapy. This will complement the other remote education resources set by the class teacher.
- We will provide printed resources, such as workbooks and worksheets for pupils who do not have suitable online access.

Parents of SEND pupils may continue to require our support at this time and the SENCO can be reached at hkanne@kingsstanley.gloucs.sch.uk

Resources that support our pupils’ SEND needs have been uploaded on to the school website in the SEND section. These will continue to be updated throughout the school year.

External agencies will become involved if necessary following the usual graduated response process detailed above.

Transition

We are aware that the transition period for our pupils with SEND has been greatly affected by the current situation. Teachers have met with the new teacher for their year group and have discussed each child in turn. The SENDCo is able to support children and teachers during this time.
