

English:

We will be completing our persuasive unit with a debate! We will be looking at recount writing in a journalistic manner and writing a newspaper article about Kings Stanley.

What makes Kings Stanley a Village?

Year 4 Term 6 2023

Maths:

This term we will be looking at the following areas of maths:

Data Handling
2d and 3DShape
Symmetry

Geometry - Position and direction

Games (indoors) Monday

We will be focussing on the skills for net and wall games with a focus on badminton
We will be looking at all elements of the game

PE (outdoors) Thursday

We will be looking at athletics - running, throwing and jumping.

Science:

Our science this term is continuing to learn about animals and their habitats. We will look at animals on the food chain thinking about consumers, predators and prey. We will be continuing to carry out experiments, predict and collect results.

Geography

In geography we will be learning out about

'What makes Kings Stanley a Village?'
We will find out about villages and then investigate the physical and human features of Kings Stanley. We will go on a walk around the village to look at the boundaries and conduct a survey of street furniture.

RE:

We will be learning about what happened after Jesus ascended in to heaven. What was the effect of Pentecost? We will be thinking about the Kingdom of God and looking at the book of Acts.

Wellbeing:

In our Wellbeing lessons we will be learning about 'Being our best' We will look at how we are responsible for doing the best we can and how we can strive to attain this.

Our value this term is faith.

Music

We will be learning all about Samba. We will be exploring the origins, learning the rhythms and then creating our own piece of music using Samba rhythms.
