

English

Non-Fiction writing - We will write a Factual leaflet about North America using the knowledge gained from our Geography sessions.

Fictional writing

We will be imitating and writing our own version of 'Wonder'. Using knowledge of the text from our guided reading sessions we will focus on embedding key grammar skills and writing independently.

Grammar/Spellings

Spelling homework will be provided weekly (Monday).

We will be teaching Spag daily within the classroom and during our shared writing sessions.

Reading (Three times a week)

Retrieval skills - various formats

Explain and use evidence questions

Inference skills

Writer's use of language

Learning how to answer questions using evidence from the text.

SATs Style based question sessions

Please encourage your child to read regularly at home.

Year 6 Term 4 2022-2023

Welcome back school. Here is an overview of the topics that we will be covering in the next few weeks. If you have any questions, then please don't hesitate to ask. Thank you for your continued support.

The Year 6 Team

Science

Our Science topic this term is electricity. We will be studying:

- How electricity has changed over time.
- Use recognised symbols when representing a simple or more complex circuit.
- Classifying and observing how electrical components and appliances work.
- Using fruit as batteries to construct circuits.

ART

We will be looking at the art of Sandra Silbersweig and using colour mixing and a range of media to recreate one of her paintings.

Maths

The areas that we will be covering this term include:

- SATs style questions (Problem solving and reasoning).
- Continue to review arithmetic methods daily (Fluent in 5).
- Angles
- Geometry
- Shape 2D/3D
- Converting units of weight, length and distance.
- Area and perimeter

SATs Style based questions

Geography

Our Geography topic this term is North America. We will be studying:

- Geographical features of North America
- Climate/Population
- Human and physical features
- Land use
- Map reading skills - New York

PE

Outdoor - Striking and Fielding

- Cricket lessons focusing on batting, throwing, catching

Indoor - Gym - Rivers and mountains

- use shape and movement to represent a river and its features
- create and hold a balance that represents mountain shapes on two, three and four points of their bodies;
- work with a partner to create a range of body shapes and balances to depict different mountain features

RE

Easter

Our topic this term is Salvation: What difference does the resurrection make to Christian.

We will outline the timeline of the 'big story' of the Bible, explaining the place within it of the ideas of Incarnation and Salvation.

Make connections between Christian belief in the Resurrection and how Christians worship on Good Friday and Easter Sunday.

CPSHE

In CPSHE we will be looking at social media and how to use it responsibly. We will look at ways to support their digital wellbeing.

We will look at how to keep healthy, drugs and wellbeing.
