### In Class This Week

Our Year 6 class had a visit from PC Hannah on Wednesday morning. Luckily it was an arranged visit and not an enquiry or investigation!

PC Hannah came to talk to our children about Internet Safety and how they can keep themselves safe. As technology is a huge part of everyday life both in class, work & for enjoyment, it is so important that we educate our children on how to enjoy the benefits of the internet without encountering the risks such as malware, scams and cyberbullying.

The session was extremely informative and PC Hannah was really able to engage with the children. We think it probably helped that she was happy to show off her PC equipment at the end of the session. Apparently her baton was very exciting and quite the hit!

If you or your children have any concerns or questions around internet safety, the following links may be of use.

## PTFA Events

We have had lots of questions about our Pig Racing Event so hopefully, the below information will help!

Think Cheltenham Races but with pigs, oink oink! The night will be hosted by our pig stable owner and you can own a pig, train a pig and of course, bet on your porker!

Betting on the night is just £1 per pig per race. If you decide to own a pig for £5, we just need your piggy name. There are some fabulous prizes for our winning owners

In addition to the races, we will have a bar, music and of course a raffle with some great prizes.

Tickets are £10PP which includes food & entertainment. Don't forget, all proceeds go directly to the PTFA to support our children.

There is no option to purchase tickets on the night so please order them this weekend on the link below. Ticket sales close Monday 16th so we can finalise the numbers for food.

## Healthy Snacks

Thank you for your co-operation with sending in fruit & veg based snacks this week. We appreciate that the change will be an adjustment for some but having clear guidelines helps us remain consistent in our approach to break time.

## Children's Book Recommendation

Nayla in Y2 recommends:

**Almost Anything**  
By Sophy Henn

Nayla loves this book because it is about a bunny who doesn't think they can paint or skate. With the help of her friends, the bunny realises she can do these things and much more.
