Important Dates For Your Diary:

Wednesday 25th October

KS2 girls football tournament

PTFA cake sale in the school hall 3.15-4pm
Y3 & Y5 to provide the cakes.

Thursday 26th October

Flu vaccinations

Friday 27th October

Inset Day

Rugby Tournament

Some of our juniors were lucky enough to be a part of an interschool rugby tournament at Oldends Lane on Wednesday.

What a fantastic display of rugby we saw from all of our players. The Y3/Y4 team made it through to the final of their age group and after a great match, came away with GOLD medals.

Our Y5/Y6 age group faced some fierce competition in their heats and after a battling performance, qualified into the plate category. Sadly their rugby journey ended here but they played with their hearts and did us proud.

Well done everyone that took part.

Star Scientists

Congratulations to our after school club scientists from last term who have achieved their science award!

The children had to complete eight star challenges to achieve the award. Not all children did the same activities but the activities covered were: Brilliant Bubbles, Muddy Mess, Be Safe Be Seen, Rainbow Collectors, Sneaky Shadow, Animal Adventure, Teabag Trouble, Sniffly Sneezes, Plant Detectives and Useless Umbrellas.

Y5 S.T.E.M Day

On Tuesday, our Y5 class had an all day trip to Wycliffe for a day of Science, Technology, Engineering & Maths

The day consisted of talks from two local businesses followed by some hands on projects linked to the topics.

We have seen some fantastic work from the entire class including paper windmills, pencil holders (now taking pride of place on their desks), jumping beans and harmonica's.

PTFA Events

Our cake sale is back next week! And this term, its Y3 and Y5 supplying the cakes.

As we are approaching hallowe'en, please feel free to show off your spooktacular baking skills and make them fang-tastic!

Themed and homemade are not essential. You can always cake it easy and donate something you have purchased!

Value Certificates

Year 1

Harmony has shown the value responsibility for always working hard when completing her activities.

Tate for being a wonderful mathematician for working really hard in maths and recognising the greater than, less than and equal to symbols $<$ $>$ $=$

Year 2

Seb for being a wonderful mathematician and working really hard in maths, listening to advice and using mathematical language to explain ideas.

Lily has shown the value responsibility by always working really hard.

Year 3

Jack has shown the value responsibility by looking after a younger child when they were hurt.

Ruben for being a wonderful scientist when spotting patterns in science.

Year 4

James for being a wonderful mathematician for calculating subtraction with exchange with precision care and good presentation.

Melody for showing the value resilience when completing her subtraction with exchange—she's nailed it!

Year 5

Rhiannon for showing the value responsibility by staying focused in lessons And following instructions.

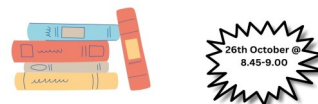

Efren for being a wonderful writer and working hard on writing his own version of 'The Key'

Book Swap

This Wednesday morning in the playground, we will be hosting our book swap.

Why not find a book to exchange and swap it for something new and exciting to read over half term.

We have lots of 'borrow boxes' with something for everyone!

Book

Our 'borrow boxes' are available in the office reception at all times. Once you have read your book, please feel free to swap it with another at any time.
