

KING'S STANLEY C of E PRIMARY SCHOOL

Head Teacher: Derk van den Broek

“Where we care about our learning and each other”

To Parents of Y5

04.10.23

Dear Parents

Re: **STEM Day at Wycliffe College, Tuesday 17th October 2023**

Wycliffe has invited a number of local schools to a special STEM (Science, Technology, Engineering and Maths) Day at the college. The children will watch presentations and take part in several science lessons delivered by Wycliffe Sixth Form and local business representatives. Children are asked to arrive from 9.10am ready for a 9.30am start. The day ends at 3.15pm. We would like to take all of Year 5.

We are asking that parents drop their children off at Wycliffe in the morning (in the Main Drive and look for people in high-vis jackets) at **9.10am**. A member of staff will be there to meet them. **The children will need to be collected from Wycliffe at 3.30pm**. If you have any problems with getting them there, collecting them or they are booked into Kingfishers, please contact us and we will do our best to help.

- The children will need to bring a packed lunch. If your child is in receipt of free school meals and you would like school to provide a packed lunch please indicate on the slip below, saying if they would like cheese, ham or tuna. **Please can you order these by Thursday 12th for the kitchen.**
- The children will be mainly indoors for the day but moving between activities will involve going outdoors so please make ensure that they have a coat.
- Some of the Wycliffe Sixth Form pupils who are helping to run the event will be taking photographs for their course work so please indicate below if we have photographic permission.

Yours sincerely

Sharron Cook
School Office Manager

.....
