Key Knowledge(answers)

What is the Book creator app and what does it do?

Photobook is an online, interactive book which includes photos and text.

How can I save photos to my Ipad?

Use Siri to search for online images. Long press on the image and then choose add to photos. These will then be on the camera roll where you can edit them.

How can I add text, sound and writing to my photobook

Use the + button to add 'text', 'sound' and 'writing'. This gives a chance to add captions to the pictures and extra information. By selecting it, you can move the text with one finger and rotate with two.
