

Cookery

DT Theme:

Teaching focus:

Learning Lens: Cooking

Class: Reception

Making a moat monster. How can I join?

Previous Knowledge

Cookery and food tasting throughout the year (Gingerbread Man, Chinese New Year, Advent making)

Project Hook or 'Wow' memory

Watch Zog

Key skills

Design a tasty pizza

Use new knowledge to cut and grate

Use spoons to measure

Evaluate our pizzas

Learning Steps

Key Knowledge

Design a pizza which will make the troll happy.

Look at different types of pizzas and discuss different toppings. Taste a variety of different toppings. Design our pizzas with our favourite toppings.

Learn about how to cut safely with a knife

Talk about cooking safety and how to use knives safely. Practice cutting and grating with different toppings.

Make a mug pizza using a recipe.

Measure, stir, cut and grate our ingredients to make our pizzas.

Evaluate our pizzas

Discuss our pizzas and what we are proud of and what we might change.

Key vocabulary

Cut
Grate
Knife
Stir
Measure
Tablespoon
Recipe

Final outcome

A mug pizza for the troll

Support with counting and measuring
Adult led design process - in small groups for children who need additional support.
