Safeguarding...Everybody...Everyday...

Safeguarding is the action that is taken to promote the welfare of children and protect them from harm. Safeguarding means: protecting children from abuse and maltreatment.

If you are worrying about a child's safety, please do not hesitate in contacting the designated safeguarding lead or Deputies straightaway (or any member of staff), they can also be contacted through the school office 01453 822570.

If a child is in immediate danger, call the Police on 999

If you have urgent concerns for a child or suspect that a child has been abused in anyway and needs an urgent response, please call the Gloucestershire Safeguarding Hub immediately on 01452 426565.

## KS2 Football Tournament

Wednesday saw our KS2 football teams participate at the Atlas Games.

### LARGE SCHOOL FOOTBALL LEADERBOARD

The teams were split into Y3/4 and Y5/6 groups. The weather conditions were tricky but they all turned up with smiles on their faces and went on to play with their hearts & soul.

What a great performance all three teams gave! Every single player contributed to their teams and we are so proud of the way they played together.

Our Y3/4 team didn't 'Messi' around and went on to win the tournament outright.

## Virtual Book Fair

We are halfway through our Books for Bugs book fair.... Don't miss out!

There are some fantastic titles available and at a discounted rate! Get those Christmas books ordered and delivered to school for free.

Go on, treat your 'shelf'!
