Safeguarding...Everybody...Everyday...

Safeguarding is the action that is taken to promote the welfare of children and protect them from harm. Safeguarding means: protecting children from abuse and maltreatment.

If you are worrying about a child's safety, please do not hesitate in contacting the designated safeguarding lead or Deputies straightaway (or any member of staff), they can also be contacted through the school office 01453 822570.

If a child is in immediate danger, call the Police on 999

If you have urgent concerns for a child or suspect that a child has been abused in anyway and needs an urgent response, please call the Gloucestershire Safeguarding Hub immediately on 01452 426565.

Bethlehem Bake Off

What a fantastic performance from our KS1 children (and teachers) for this years nativity.

The children have limited time to learn the songs and any actions.

Our Y2 class were fantastic leaders and there are definitely some budding performers among our infants! Well done and thank you to everyone
