Sports Day

What a fantastic turnout for our Sports day, thank you! We are sure you will all agree that the children behaved impeccably and showed great team spirit.

They coped incredibly well (as did you) in the hot weather and it was a great day. It's a shame we could not host our picnic lunch but we will look to organise something else on a future date.

We will publish some further photo's of the day in next week's newsletter.

Ofsted

Thank you all for your support, kinds words and understanding this week.

As most of you will be aware we had Ofsted visiting the school on Tuesday and Wednesday. They were both extremely experienced and rigorous inspectors so they were able to give the school a thorough examination.

The reporting now follows a very formal process where the inspectors will write the report, send it for checking and quality assurance before it can be published and shared with the community. This may take us to the end of term so please don't worry if the report is not published until September. This is normal for schools inspected at this time of year.

Please be reassured in the mean time that we had a good two days and the report should reflect that.

My Plan Meetings

Thank you for your patience and understanding when needing to rearrange these meetings.

We will be contacting you all to rebook for next week.

Reception Play Equipment

Our Reception class are looking for some new toys and accessories for the classroom and outdoor areas.

If you are having a clear out and have any of the following to donate, we would be really grateful.

- Old pots, pans and kitchen utensils for our mud kitchen;
- Garden tools and toys;
- Scooters/pedal trikes/balance bikes
- Crafting materials

Please bring your donations to the office.
