Great stuff!

KS1 Multi Skills Event

We were joined by Atlas Sports last week for a KS1 Multi Skills Event.

They set up in the main hall and brought with them a whole range of activities for the children to try.

Each year group had an hour in the hall, trying out all the different activities. It was a fantastic morning and thoroughly enjoyed by all.

Children's Mental Health Week

Last week was Children's Mental Health week and as always, we had a range of activities planned both in, and out of the classroom.

Our Y6 School Parliament delivered an assembly on Monday morning. They did a fantastic job of introducing the topic, and getting us all to think about our emotions and how we can understand ourselves better.

One of the highlights for the children (and the staff), was Thursday's 'Bake a Difference' cake sale. We raised £40, which we think is fantastic for 20p a cake! Thank you for your support. There was definitely some 'in house' competition with the baking, but we aren't expecting a visit from Mary Berry or Paul Hollywood, any time soon!
