Last Day of Term

VE Day—80 Years

What a special day Thursday was, celebrating 80 years since Victory in Europe was declared.

Our school parliament helped host an assembly and classrooms completed various activities to mark the occasion.

As well as classroom celebrations, our Y2 children had a very special dance lesson as part of their PE.

Mrs Watson taught them a VE Day dance where the boys were soldiers returning home and the girls all lined the streets to welcome them back.

The children loved getting into role and did a great job at following Mrs Watsons instructions.

IMPORTANT SPORTS DAY CHANGE

It has come to our attention that our Sports Day date, clashes with the Y6 Introduction Day at Maidenhill.

The vast majority of our Y6 class are going to Maidenhill in September and we are sure you will all agree, they cannot miss their last ever Sports Day!

As such, we have now moved Sports Day to Tuesday 15th July.

Thank you for your understanding.

May Revels—Y5 Countryside Skills

As part of their Countryside Skills sessions, our Year 5 children have been learning to dance around the maypole.

They all picked the dance up very quickly and gave a fantastic performance for their parents.

Great work Y5!

Outdoor Play

Some of our children have created their own rock shop, museum and amphitheatre in the playground.

We have seen some amazing team work, collaboration and resilience skills being shown. They have even created their own currency, instead of cash, they use bark!

All ages have contributed to the project and it's been lovely to see them all working creatively together.

Rumour has it, that bark currency can also be used in the pop-up McDonalds restaurant, which appears from time to time in the playground too!

Value Certificates

Year Reception

Alfie for being a wonderful reader by trying really hard and doing some brilliant reading in reading practise groups this week. He stood out as a real leader in the group.

Year 1

Charlie for being a wonderful musician by playing his ukulele beautifully and listening carefully to instructions.

Year 2

Willoughby for being a wonderful writer by using good descriptions, punctuation and neat joined up writing.

Year 3

Lily for being a wonderful writer by completing her island description using lots of the techniques that we have learnt this year.

Year 4

Ollie for being a wonderful mathematician by displaying a fantastic knowledge and understanding of decimals.

Year 5

Elin has shown the 3R's responsibility, respect & resilience in Countryside Skills. Mrs Priestley was particularly impressed by Elin's diligence, helpfulness and kindness over the 2 days.

Year 6

Felicity for being a wonderful learner by working incredibly hard in all lessons and completing her work quicker.

WELL DONE EVERYONE
