Wildlife Quiz

Our quizzers faced Whiteshill Primary School in the 2nd round of the Wildlife Quiz on Friday.

They maintained their scores through all 5 rounds and had the lead for the majority of the quiz.

Unfortunately, Whiteshill took the lead in the final round (the artefact round) and won by just 1.5 points!

Well done to our amazing team who displayed excellent knowledge and team work. We are so proud of you.

A special mention to Eliza in Y6 who answered a question that no-one else in the room could, even the grown ups!

The question was to identify a bird from a picture. Everyone that attempted to answer thought it was a House Sparrow but Eliza correctly identified it as a Tree Sparrow!

The quiz hostess confirmed that never before has anyone answered that question correctly! What a super star.
