The morning is spent competing against other schools in track events and in the afternoon, the children played indoor sports such as squash and table tennis.

Y6 racked up some great results, congratulations to:

## District Sports

District Sports is an annual event where the children compete in various track and field events.

It's always a well attended and competitive event. This year there were some outstanding participants so the competition was fierce.

All of our children behaved respectfully of each other and their competitors. Everyone gave their absolute best and we are really proud of you all.

Well done.

## Student Spotlight

Isaac in Y5 has made it a hat-trick of sprinting victories at District Sports.

Having triumphed in Y3 and Y4, Isaac won the Y5 Sprint to make it 3 in a row. He won his heat comfortably and then raced well clear of his rivals in the final.

Will he be able to complete the set and make it 4 in a row in Y6?

## Library Challenge

Last week we had a very exciting assembly about this years Library Challenge which is all about the Natural Challenge.

The Library Challenge is completely free and includes various activities for children to complete which will earn them stamps.

The more stamps, the more rewards!

Joining your local library is completely free and is a great way to spend a few hours in the holidays.

Our local libraries have lovely areas for the children to sit and explore their vast catalogue of books.

Don't forget to bring your completed Library Challenge books in after the summer.
