Future Key Dates

Sports Day 2026

We have brought Sports Day forward this year in the hope of avoiding clashes with the many events that usually take place at the end of the summer term.

Provisional Sports Day: Thursday 21st May

KS1: Morning KS2: Afternoon

End of Term Finish Times

We have received a few enquiries about end of term collection times. Please note the following:

Christmas & Easter: School will finish at 3:15pm as normal.

Final day of the school year (Friday 17th July 2026):

School will finish at 1:00pm. **Kingfishers:** No afterschool session (morning session open as usual)

Year 6 Key Dates

After School Clubs

A reminder that clubs finish at 4pm and unless your children attend Kingfishers, they should be collected at this time from the junior playground.

Next week is the last week for clubs. New clubs will be announced in the Spring Term.

Car Park

Please remember that the school car park is for staff and Blue Badge holders only.

We have recently received complaints from parents with Blue Badges who have been unable to park because other parents have been occupying the spaces.

Although there are two designated disabled bays, we have more Blue Badge holders than available marked spaces, so it is essential that all other car park bays remain free for those who are entitled to use them.

Thank you for your cooperation in keeping access fair and safe for everyone.

Food Bank Donations

Thank you for all your wonderful donations so far. We've received a fantastic mix of food cupboard staples along with festive treats.

We will be collecting throughout next week, so there's still plenty of time to bring your donations to the office reception.

Thank you for your generosity.

Value Certificates

Reception

Evan for being a wonderful mathematician by explaining the features of 20 shapes/

Year 1

Darcie for being a wonderful writer by using fantastic adjectives to describe her setting.

Year 2

Winnie has shown the 3R's of respect, resilience & responsibility. She is always polite, helpful, supportive of others and always tries her best.

Year 3

Oliver for being a wonderful mathematician by showing resilience and not giving up to move up a level in Quick Maths.

Year 4

Daisy R has shown the values of responsibility & respect. She is always kind and considerate to those around her and is always ready to listen and work hard.

Year 5

Max for being a wonderful scientist by writing a detailed conclusion explaining what happens to a solid when added to water.

Year 6

Joseph for being a brilliant writer by writing a brilliant setting description all about Antarctica.

WELL DONE EVERYONE
