### Reception Class

Reception are nearly half way through their first year at school! We are so proud of the progress they've already made and how well they have settled into life at KSPS.

In class, we have been doing daily phonics, having fun exploring objects around the classroom and we have been on learning adventures, such as treasure hunts, autumn hunts, digging tunnels in the sand, exploring potions and so much more!

Currently, the whole class are enjoying exploring the water tray when it has frozen – it makes amazing patterns! They love playing out with the other children during playtimes, many of the older children make them even more exciting and fun!

Well done Reception – let's enjoy the second half of the year as much as the first!

## Young Voices

Our lunchtime Young Voices 'Wicked' Club has proved very 'Popular' and the children are doing a fantastic job.

Although they haven't had long to practise, they already sound amazing.

Next week will be the final lunchtime rehearsal before they go live from the classroom at the end of the day.

## Value Certificates

### Reception

**Toby** for being a wonderful learner by always being ready to learn, joining in with learning and trying his best.

# WELL DONE EVERYONE

## PTFA Corner

The PTFA have some fantastic events planned for 2026, with plenty to look forward to for both the children and the parents.

Our first cake sale of the year will take place on Tuesday 4th February, and it's the turn of Y1 and Y4 to provide the bakes. Remember, you don't have to be Mary Berry—shop bought cakes are absolutely welcome. Why not pick some up from Tesco and pop a blue token in our charity box at the same time?

We also have a brand new event for grown-ups. Join us for a 'Let's Paint' evening in the school hall on Friday 13th February. More details will be shared shortly.

In March the children can look forward to Mother's Day Shopping and a school disco!
