Items From Home

A reminder that children should not bring personal items to school, such as toys, notebooks, or other belongings that are not required for learning.

These items can be distracting during the school day and may also get lost or damaged. To help us maintain a focused and organized learning environment, we kindly ask that all personal items remain at home unless specifically requested by the teacher.

Thank you for your cooperation.

Year 5 Countryside Skills

Our Y5's have had all the weather thrown at them for their Countryside Skills sessions but it certainly didn't stop them.

Throughout the sessions they made tripod lashing and used their skills to make shelters and catapults. In their final session, they even made their own popcorn which they enjoyed with their much deserved hot chocolate.

Great teamwork Year 5!

Young Voices Live!

On Thursday our lunchtime Young Voices club joined a live link and participated in the Wicked Worldwide Singalong.

The live stream featured Emma Kingston who is currently starring as Elphaba in the West End Production—what a truly wicked treat!

It was a fantastic mini event and was thoroughly enjoyed by the children and the staff!
