## Experience Easter

Our Year 4 and Year 6 children recently visited St George's Church to take part in "Experience Easter."

During the visit, the children explored the Easter story through a range of engaging crafts and hands-on activities, helping to bring the events to life in a meaningful way.

The children represented the school beautifully and showed great enthusiasm throughout the morning.

Thank you to everyone at St George's Church for hosting such an enjoyable experience.

## Year 5 Easter Service

Our Year 5 children hosted a fantastic Easter Service this week at St George's Church.

They shared the Easter story confidently, and it was lovely to see such wonderful enthusiasm during their performance of "Spring Chicken!"

Well done Year 5 - we are really proud of you.

## After School Clubs

Board Games, Ocarina and Sports Club have now finished. All other clubs will resume after the Easter break.

Further summer term clubs are currently being organised, and information will be sent home as soon as it is available.

## Local Church Event

Join us for our "Walk & Talk The Easter Story" on Sunday 29th March at 10:00am, meeting at King's Stanley Playing Fields (near the car park entrance).

This family-friendly event invites everyone to take a gentle walk while hearing the Easter story along the way. All are welcome and we hope to see you there!

## PTFA Save the Date

The (hopefully!) improved weather means we can once again enjoy our popular PTFA outdoor events, so please mark your diaries, as our two main events are now confirmed:

- The King's Stanley Trail returns on Sunday 10th May
- Following its huge success last year, the **Colour Run** is back on Sunday 5th July

Keep an eye on WhatsApp class groups and EduLink, as ticket sales will be going live shortly.

## Value Certificates

### Reception

**Elodie** has shown the value of respect by thinking really kindly about how different cultures celebrate spring festivals.

### Year 1

**Alfie** for being a wonderful problem solver working as part of a team to build a super barrier to hide behind during Countryside Skills.

### Year 2

**Freyja** has shown the value of resilience by working hard and trying her best to improve her Maths and Quick Maths.

### Year 3

**Sareya** has shown the values of respect and responsibility when taking part in the cricket session.

### Year 4

**Lacey** for being a wonderful artist by taking her learning about Romer Britto and creating a picture at home.

### Year 5

**Eddison** has shown the value of friendship by caring for friends and ensuring they are safe and happy.

### Year 6

**Grace** for being a wonderful writer by thinking carefully about your language choices and writing a fantastic speaking objects poem.

# WELL DONE EVERYONE

## Kings of King's Stanley

We are currently looking for volunteers to support our upcoming King's Stanley Trail on Saturday 10th May.

We are especially in need of volunteers to create a "King" for the trail. This can be anything fun and creative that includes the word "king" (for example, "drinKING" or King Kong!). The "Kings" simply need to be made and put out on the day.

This event is a fantastic fundraiser for the PTFA, and we would really love your support to help make it a success.

We have had fewer volunteers than usual this year, so any help you can offer would be hugely appreciated.
