What is your job role?

Year 5 Class teacher

How long have you been at the school?

4 years

What is your favourite subject to teach and why?

My favourite subjects to teach are reading and writing. I love bringing stories to life and watching children's imaginations grow as they engage with the characters, settings and adventures. It's wonderful to see how creatively they interpret stories and express their own ideas.

What would be your book recommendation for a child in your class?

The Legend of Podkin One Ear

Year 6 SATs

A huge well done to all of our Y6 children for the fantastic attitude and resilience they have shown during SATs week. We are incredibly proud of the way they approached each test with determination and positivity. They have been an absolute credit to themselves and the school.
