Kavuka Total

We are delighted to share that our annual Kavuka Walk raised an incredible £2,938.60. What an amazing achievement!

A huge thank you for always supporting this event and helping to raise funds for our twinned school in Kavuka.

There is a lot of work taking place behind the scenes, and we look forward to sharing an update with you soon so you can see how your donations help.

PTFA Corner—Non Uniform Day

To support our Colour Run on Sunday 5th July, we are holding a non-uniform day with a twist!

Instead of paying to wear non-uniform, each year group has been allocated a colour (please see the attached poster to find your child's colour).

These donations will be used to create seven beautiful colour-themed hampers to raffle on the day. Raffle tickets will be available to purchase at the event.

If you've not taken part before, it's simple! Please donate one new, unused item in your allocated colour and place it in your year group's collection box.

Thank you for your support.

Thank You

The last four days have brought unusually high temperatures, and we would like to take a moment to thank everyone in our school community for their support and resilience. The pupils have been brilliant. They have adapted quickly and coped extremely well in challenging conditions, and we are very proud of them.

I would also like to recognise and thank our staff, who have worked incredibly hard to continue teaching and caring for your children in such difficult circumstances. Teaching in this level of heat is not easy, and we are extremely grateful for the commitment, professionalism and flexibility shown by the whole team.

Like many others, they too would undoubtedly have preferred an earlier finish; however, I made the decision to keep the school open throughout this period, recognising how important this is for many of our families who need to work and rely on us for care and consistency. This was not a decision we took lightly, but we felt it was important to support our community as much as possible. We greatly appreciate the many supportive messages and understanding shown by parents during this time, it has meant a great deal to staff.

A particularly special thank you must go to our school kitchen team. While classrooms have been warm, the kitchen environment has been significantly hotter. Unlike in classrooms, where staff have been able to take children outside, use shaded areas, and move around the school, the kitchen team have not had these options.

Despite this, they have continued to provide hot meals for all children without complaint, in fact over 100 hot meal just today! Their dedication, resilience and hard work have been exceptional, and we are incredibly grateful.

Thank you again to everyone: staff, pupils and families for working together so positively and supportively during this challenging spell of weather.
