

Please note that the Homework Schedules on the website are just to give parents a general picture of the homework expectations of each class, it is not a definitive version of what they are currently doing as this varies from year to year. Some of the Homework Schedules are from a few years ago due to the disruption to the teaching caused by the Covid pandemic when children were not in school.

At the start of each new term the teachers send out a Homework Schedule to the parents which gives the up-to-date information on homework.
