

### English

Our first text this term is a narrative, 'Kassim and the Dragon'. We will create a leaflet / fact file linked to our Geography topic. We will continue with our focus on reading - ERIC daily and whole class guided reading sessions weekly.

### Music

We will be looking at body percussion and rhythm. We will be listening to different pieces of music and reviewing them.

### Art

We will be looking at collage and linking this to our science topic on animals.

### Maths

In our maths this term we will be looking at area and perimeter. We will then be focussing on multiplication and division strategies, both mental and written. Each day, we will continue to use TTRS to develop our times table knowledge and complete fluency activities to maintain our arithmetic skills.

### Science

In Science we will be learning about Living things and their Habitats. We will be sorting and classifying animals into different groups - looking at vertebrates and invertebrates.

### Games

Will be on a Tuesday this term so come in your kit on Tuesdays!

### PSHCE

Recognising and celebrating difference including religious and cultural linked to RE

## The United Kingdom Year 4 Term 2

### Geography

We will be looking at the countries that make up the UK. We will identify the key topographical features of each country. We will look at how cities have changed over time. We will think about what makes Britain great - looking at London.

### Religious Education - Christianity

What is meant by the Trinity?  
We will discuss and explore the Christian belief that God the father, God the Son, God the Holy Spirit, are three in one.  
We will also be looking at Christmas around the world, our countryside skills activities will link to this.

### Computing:

Using stop motion animation to create our own topic themed animations.
