

## MATHS

In Maths we will be revising fractions, decimals and place value. The children will develop their understanding of the four number operations and time.

## SCIENCE

In Science we will be studying the differences in the life cycles of a mammal, an amphibian, an insect and a bird. We will also study the life process of reproduction.

## HOMEWORK

Homework will be given out each Thursday and should be returned by Tuesday. All tasks will be explained.

Reading homework will be given out every week and the sheets will be provided.

## Y5 SUMMER TERM 5

## GEOGRAPHY

This term our topic is Brazil. We will be finding out about the geographical features of the country and the culture. If you have any resources to share please bring them in.

## COMPUTING

We will be making individual email accounts. We will use a simple animation program to upload and sequence a series of images. Video conferencing.

## ART AND DESIGN

In Art and DT we will be creating rainforest art and designing, making carnival masks and observational drawings based on botanical art.

If your child has any topic books on the subject, please feel free to send them in. If you have any questions or concerns, please feel free to contact us at any time. *Mrs Bainbridge, Mrs Wilson & Mrs Parfitt.*

## ENGLISH

In English this term we will be exploring a variety of different genres based around the books 'Wolves in the Walls' by Neil Gaiman and other fictional stories.

## PE/GAMES

Tuesday - Gymnastics

Wednesday- Rowing/Athletics

**Please can children have their PE kit in school every day.**

## RE/CPSHE

In RE we will look at why the Torah is so important to Jewish people.

Value - Trust

Our CPSHE lessons will focus on puberty and changes in our body.
