

# Y6 Homework - Autumn Term

Welcome back! Here is your list of homework up until Christmas. How you present your homework is entirely up to you. Here are some possible ideas: photos, drawings, models, ICT or writing - it really is up to you! We **expect** you now to read at least five times per week at home and practise your spellings. In addition to this, you will also be set a variety of reading comprehension tasks, SPAG tasks and maths tasks to be completed. We will supply all children with a SPAG glossary to take home to support you all with their homework. Please encourage your child to **read for pleasure** and whenever possible, please try and read with them too. Reading comprehensions will be given out weekly on a Thursday too.
