

# English

## Letter Writing

We will be looking at the features and form of a formal and informal letter.

## Finding story

We will look closely at a story where the main character finds an object and what they do with it.

We will identify the full range of punctuation that is appropriate for the text including semi colons and parenthesis.

# Year 6 Term 3 2018-2019

Welcome back to a new term. Here is an overview of the topics that we will be covering in the next 5 weeks. If you have any questions then please don't hesitate to ask.

## Science

In Science we will be looking at Evolution and inheritance. The children will find out about how the work of scientists has helped develop our understanding of the process of evolution.

## Art

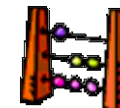

Can children visualize and demonstrate a sequence of actions?

Can children record from first-hand observation?

Can children comment on how artists use form and figures in movement art?

# Maths

The areas that we will be covering this term include:

- Translation/reflection/translation
- Decimals
- Percentages
- Algebra

## ICT

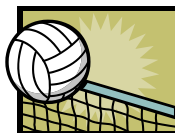

We will identify what makes a good website. We will create a mock-up of a website and use ppt skills to create links between pages and include hyperlinks.

Our value for this term is

## PE

### Hockey

To show improvement with dribble, passing and receiving.

To demonstrate improvement on Possession skills

### Rowing and disability sports

The children will work on improving their stamina during these sessions.

## RE

### Creation and Science. Conflicting or complimentary

An explanation of how and why questions.

Interpreting Genesis 1

## CPSHE

### Going for goals

To know the skills and attributes of an effective learner.

Recognise and celebrate our own achievements
