

# English

## Balanced Argument

We will be looking at the structure and language associated with putting across a balanced point of view.

## Story Writing

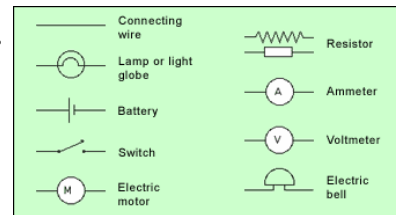

We will be writing an 'Warning story'. Using an effective structure to create drama and a build-up of a dilemma

# Year 6 Term 4 2018-2019

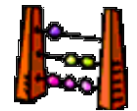

Here is an overview of the topics that we will be covering in the next 5 weeks. If you have any questions then please don't hesitate to ask.

## Science

In Science we will be looking at electrical circuits. We will be finding out about charge and how it moves around a series circuit. We will also look at how adding components into a series circuit can affect how bright a bulb is.

# Maths

This term we will be re-visiting the different areas of maths covered in KS2 in preparation for the Sats tests.

## ICT

In our ICT sessions we will be looking at control and monitoring. We will be using a programme called 'Flowol 2' to write control programmes for traffic lights, lighthouses and theme park rides.

This terms value is

## PE

### Outdoor PE

We will be starting our new sports topic by looking at volleyball skills.

### Indoor PE

Gymnastic. Looking at symmetric and assymetric balances.

## RE

We will be continuing to look at the events leading up to the Easter Story and why the resurrection is so important to Christians.

## CPSHE

Good to be me will look at the skills and attributes of an effective learner. We will also recognise and celebrate our own achievements and those of others.
